To whom it may concern:

Boyle Fredrickson, S.C. is a law firm organized under the laws of the State of the Wisconsin, U.S.A. and is the largest Intellectual Property Law Firm in the State of Wisconsin. The firm has a principle place of business located at 840 North Plankinton Avenue, Milwaukee, Wisconsin and services clients throughout the world. The undersigned, Attorney Kirk. L. Deheck is a shareholder of the firm.

The firm provides legal services to each of Clear-Armor, LLC and TruArmor, LLC. Upon verified information and belief, Clear-Armor, LLC and TruArmor are companies owned and operated by Mr. David Trudeau. Mr. Trudeau is the sole provider of all products sold, manufactured, and/or distributed by Clear-Armor, LLC and TruArmor. TruArmor and Clear-Armor, LLC are the recorded assignees or owners of all Patents, Pending Patent Applications, Trademarks, and Trademark Applications associated with the respective business units of Clear-Armor LLC including products manufactured and installed under the TruArmor®, Clear-Armor®, Viking Glass™, TruViking™ brands, patents, and patent applications.

The Companies have various issued patents and utility patent applications currently pending in the U.S. and abroad. The various patents and patent applications are generally directed to Projectile Penetration Resistant Assemblies and Methods that can be transparent or opaque and provide discrete lightweight uni-direction and bi-directional penetration resistance, respectively.

Prior to filing of the various patent applications, a patentability search was commissioned and completed by an independent third party. The patent documents uncovered during the third party patentability searches have been cited to the U.S. Patent and Trademark during the prosecution of the related patent application as required by Title 37 C.F.R. 1.97. Upon consideration of the same, the United States Patent and Trademark Office has confirmed the patentability of various inventions disclosed in the patent filings.

U.S. Patent Nos. 10,539,399; 11,029,132, 11,287,224; and 11,8646,494 to TruArmor, LLC and Title 35 U.S.C. §271 entitles Clear-Armor, LLC the exclusive

authority to prevent others from making, using, offering to sell, or selling the patented invention within the United States. Upon verified information and belief on an even date herewith, Clear-Armor, LLC has granted no third party any authority to independently practice the invention as defined by the Clear-Armor, LLC patent such that Clear-Armor, LLC is considered to be the sole provider, manufacturer, and distributor associated therewith.

Clear-Armor, LLC is also the owner of the U.S. Trademark Registration for the mark TruTrauma® as used in commerce for providing unequalled training for school personnel, first responders, and other community members.

Upon information and belief, neither Clear-Armor, LLC nor TruArmor® has licensed or otherwise granted any non-certified third party authority to make, use, sell, or advertise products protected by their patents and/or use their trademarks or tradenames in any vendor or public communications. No non-certified third party has been authorized to purchase, sell, demonstrate or install laminate materials and methods associated with the patented products. Clear-Armor, LLC and TruArmor® manufactured and treated flat-glass protected products can only be installed by Certified Installers.

TruArmor®, TruViking™, and Viking Glass™, vehicle products are advertised and sold only through the TruArmor® and/or Clear-Armor, LLC brands which are each affiliated with the legal ownership of all Patents, Pending Patent Applications, various Trademarks, and Pending Trademark Applications directed to removable lightweight automotive armor systems and methods.

Upon information and belief, Clear-Armor, LLC, TruArmor®, TruViking™, and Viking Glass™ are each privately owned by Mr. Trudeau and have no affiliation with any other third party.

Very truly yours,

Kirk L. Deheck
